

# Concert Report Format

OK friends! Here is how I want your concert report to be formatted –  
Write a 5-paragraph essay about the concert you attended.

¶ **1 – Introduction!**

Tell me what you're about to write.

¶ **2 – Details!**

Who, where, when, why? Etc.

¶ **3 – Review it!**

Tell me about the show. How was it? Did you like it? Why or why not?

¶ **4 – What did you learn?**

Whether the concert was good or bad, what did you learn through this experience & how did it make you a better musician?

¶ **5 – Conclusion!**

Wrap it all up!

Please remember that a well constructed paragraph is *at least* 3-4 sentences long!

Your essay *must* be typed!

Thank You!
